

Hello Clubs/Coaches

Thank you for your patience. We have had several clubs not get their athletes registered in time therefore it has taken longer to work out all the sessions and age groups.

- I have attached the latest rosters.
 - Please verify that all your athletes are in the correct level and have the correct birthdates.
 - If their birthdate is wrong the parent must go in and fix this asap on USAG but please email me.
 - If an athlete is in the wrong level, the club or coach needs to go in and make the change on USAG and email me.
- IES - Please make sure that any of your athletes competing as an IES have the events they are qualified on listed after their last name.
 - Email me asap if you have any changes or if their events are not showing.
- Due to the large number of athletes in each session the judges have requested the committee vote to have the XB/XS/L2/L3/L4 compete in the randomized order as assigned by ProScore (or an approved scoring system). The committee voted on this, and it was approved.
 - All levels at the 2025 DEV State Championships will compete in a randomized order assigned by ProScore.
 - More information in the coach's packet.
 - The Draw will take place at Emerald City Gymnastics on Tuesday March 18th at 10am.
- Please make sure all coaches who are attending are registered and scratch any that are not attending.
- If you have any missing coaches or athletes, the sanction is closed for registration so you will need to email me.
- Scratches:
 - Please scratch all your athletes through USAG meet reservations up until the time of the draw.
 - If you have an athlete you need to scratch after the draw, please do this at the meet.
- Coaches packet:
 - Attached to this email. Please read carefully and let us know if you have any questions.
- Inform your parents:
 - CASH ONLY for admissions.
 - T-shirt for athlete gift - see Northwest Designs
 - **Here is a link for their web store**
